 lina 29841, that the suspension of Class)
 F Certificate of Public Convenience and)
 Necessity No. 1786 A be lifted, and)

 ting therefrom the contract with Satterfield)

 a contract with R. B. Pond Construction)

COLD ASPHALTIC CONCRETE MIX, IN DUMP TRUCKS: Between
points and places in South Carolina, for R. B. Pond Construction
Company, Inc., Darlington, S. C., under contract to be filed with
and approved by The Public Service Commission of South Carolina.

From the application submitted and the investigation made, it appears
that the suspension of Class F Certificate No. 1786 A should be lifted; and,
it further appears that the service applied for is needed in order to serve
the requirements of public convenience and necessity in the premises. It,
therefore, appears that the application should be granted without the formality
of a public hearing.

AND IT IS SO ORDERED:

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Assistant Director - Administrative Services
